FOR IMMEDIATE RELEASE

Dan Berner joins bit-x-bit, LLC as National Director of Business Development

PITTSBURGH, November 12, 2018 – bit-x-bit, LLC a leader in end to end e-discovery, digital forensics, incident response and cyber-security solutions, announced today that Dan Berner has joined the firm as National Director of Business Development. Berner will report directly to Susan Ardisson, CEO of bit-x-bit, and will be responsible for developing and implementing key growth strategies for bit-x-bit, growing national accounts, and expanding into new regions with both new and existing accounts and clients.

“Dan is a veteran and his breadth of experience, and knowledge of client needs, will add significant value to the scope of services that we provide to our corporate and law firm clients. Our clients’ challenges are multifaceted and ever-changing, and Dan will be a great asset in enabling us to meet their needs in this rapidly changing world,” said Ardisson.

Dan brings strong sales, marketing and client relationship management expertise with over a decade of forensic technology and e-discovery experience. Prior to joining bit-x-bit, LLC, Dan held Senior Development roles at FTI Consulting, Ipro, and Extend Resources.

About bit-x-bit: Founded in 2007, and exclusively endorsed by the Allegheny County Bar Association in Pennsylvania since 2008, bit-x-bit is a digital forensics, e-discovery, cybersecurity and incident response consulting firm providing expert technical services to law firms and companies of all sizes, including the AMLAW 100. Additionally, bit-x-bit is certified by the National Women Business Owners Corporation. For more information, please call 412-325-4033 or visit our website at www.bit-x-bit.com.
